Chapter 1

INTRODUCTION

1.1. Purpose of this book	1
1.2. Value added of this book	3
1.3. Structure of this book	6

Chapter 2

CONGLOMERATE DIVERSIFICATION AND PERFORMANCE: DISENTANGLING ANTECEDENTS AND CONSEQUENCES

2.1. Diversification strategy: definition and core concepts	9
2.1.1. Diversification strategy patterns	11
2.1.2. How corporate strategy makes a difference	13
2.1.3. Modes of entry in a new business	14
2.2. What is a conglomerate strategy?	16
2.3. A multilevel map of antecedents to conglomerate diversification	17
2.4. Contextual-level antecedents to conglomerate strategies	19
2.4.1. Seeking legitimacy for the institutional framework	20
2.4.2. Overcoming the weaknesses of external financial institutions	21
2.5. Firm-level antecedents of conglomerate strategies	22

	<i>pag.</i>
2.5.1. Enhancing market power	23
2.5.2. Orchestrating rare, valuable, and imperfectly imitable resources	24
2.5.3. Acquiring, sharing, and synthesizing unrelated knowledge	25
2.5.4. Opening strategic wisdom to new businesses	26
2.6. Management-level antecedents of conglomerate strategies	26
2.7. Antergies of conglomerate diversification	28
2.7.1. “Conglomerate socialism” in resource allocation	29
2.7.2. Overly complex resource management	29
2.7.3. Inertia in renovating resource configurations	30
2.8. Conglomerate diversification and performance	31
2.9. The paradox of conglomerate diversification	36

Chapter 3

STRATEGIC LEADERSHIP, CONGLOMERATE DIVERSIFICATION, AND PERFORMANCE

3.1. Strategic leadership: definition and core concepts	37
3.2. A resource-based framework linking strategic leadership and firm performance	41
3.3. Scope of strategic leadership responsibility	42
3.3.1. Developing and communicating the firm vision	43
3.3.2. Exploiting and enhancing core capabilities	44
3.3.3. Forming and enriching human capital	44
3.3.4. Sustaining an effective firm culture and the promotion of ethical practices	45
3.3.5. Exercising balanced control of the firm	46
3.4. The role of strategic leadership in conglomerate success	47

Chapter 4

RESEARCH DESIGN AND METHODS

4.1. Methodological choices	49
4.1.1. Rationale for choosing a qualitative research strategy	50
4.1.2. Single case investigation	52
4.1.3. Constructive realism approach	52
4.2. Criteria for case selection: General Electric under the strategic leaderships of Jack Welch and Jeffrey Immelt	53
4.2.1. A nested approach to the General Electric case	53

pag.

4.3. Data collection and data sources	54
4.4. Data coding and analysis	60
4.5. Temporal bracketing strategy	60

Chapter 5

STRATEGIC LEADERSHIP AT GENERAL ELECTRIC: A MULTI-TEMPORAL INVESTIGATION (1981-2016)

5.1. Background of General Electric	63
5.2. Jack Welch's strategic leadership at General Electric (1981-2001)	66
5.2.1. Phase I: new corporate portfolio management practices and extreme organizational change (1981-1985)	67
